

Seasonal Bliss

CKU Album Track with Elizabeth Kartchner

This is going to be such a fun class in 12" x 12" format scrapbooking memories throughout the colorful seasons.

Here are the photos and details for your homework.

This album will be broken up in seasons from Spring, Summer, Fall and Winter. It is versatile enough to fit everyone's photos and will document your everyday moments, traditions, or Holidays throughout the year.

A fun part of your album is that each season will be separated with one 6" x 12" page protector. On one side it will say a season and will have a photo. (Can be a vertical 4" x 6" or two 3" x 3" photos)

You will need one photo for each Season and they will illustrate something you love that changes throughout the year. For example I have taken a picture, looking down at my feet, wearing a pair of shoes I love for each season. You can take a picture of your garden and how it changes over the year, your baby growing throughout the year, a tree in your yard, the front of your house etc. The ideas are endless and I am excited to see what you choose.

The other side of this 6" x 12" page protector will be lined patterned paper where you can write traditions, favorite things about this season, your schedule, sights sounds or tastes that you love for this season. It's your choice so have fun.

Here is a breakdown of the photos you should bring for each scrapbook page, I will also note the colors of the scrapbook pages:

Spring:

Page 1: Vertical 4" x 6" photo and a 3" x 3" photo. Fun journaling for your photos to fit in a 2" x 3 1/2" journaling spot. (Pink, Brown, Blue)

Page 2-3: Vertical 6" x 8" photo (or use 2 horizontal 4" x 6" photos) and 3 vertical 3" x 4" photos (Colors are light tan, pink, yellow, teal.) For the page seen on CK's website in the class description.

Page 4: Two 2.5" x 2.5" photos This will be a fun page and the journaling spot starts with "Don't Forget..." I wrote about how I don't want to forget when Aunt Charity held baby Quincey for the first time. (Light Tan, Blue, Pink)

Summer:

Page 5: You can use either one horizontal 4" x 6" photo or two vertical 3 1/2" X 5" photos. Page title is versatile but will have 'Love' in it. (Blue, Green, Yellow)

Page 6-7: This page will have circle photos we will cut in class. One 7 1/2" x 7 1/2" photo (You can print an 8" x 10" photo, just keep in mind that it will be cropped to 7 1/2" x 7 1/2".)

One 5" x 5" photo (You can print this as a 5" x 7" but keep in mind it will be cropped)

One 4" x 4" photo (You can print this as 4" x 6" but keep in mind it will be cropped down once we are in class)

This page is titled 'Summer Fun' with a journaling spot for 10 Favorites or Things that make you happy. (White, Teal, Yellow, Green)

Fall:

Page 8: This page is in a cute grid format and you will bring 4 pictures with the same dimension of 2.5"x 2.5". Would work great with pictures of your family & home (Brown, Tan, Blue, Orange)

Page 9-10: Bring 2 vertical 4"x6" photos and one 3 1/2" x 6" photo. (Colors Green, Orange, Brown, Blue-Fallish colors and photos will be backed on a cute, brown wood grain patterned paper)

Winter:

Page 11: This page will need one horizontal 5" x 7" photo. Or multiple photos fit into that size. (Tan, Dark Red will work well with any Holiday Season photos)

Page 12-13: One vertical 8" x 10" photo, one horizontal 5" x 7" photo, and one vertical 4 1/4" x 4" photo (A pretty page that says "Tis The Season" and has a couple snowflakes this page would work well with an enlarged family photo for the 8" x 10" or other Christmas memories.
